Conservative Party Manifesto - Policy Summary

The Conservatives have today published their General Election 2017 manifesto, including major reforms to social care funding. Other pledges include replacing free infant school lunches with free breakfasts for all primary pupils, balancing the budget by 2025, keeping the net migration target at tens of thousands a year and scrapping the 2015 pledge not to raise income tax or National Insurance. Dods have collated all the pledges and commitments made in the full manifesto document into one useful summary, divided by policy themes.
