HM Government and Shadow Health teams

The image displays four screenshots of team pages. The top two are for the 'Government Health Team' and the bottom two are for the 'Shadow Health Team'. Each page features an organogram with circular portraits of team members connected by lines, and a list of contact details for each individual, including names, titles, and phone numbers. The 'Government Health Team' pages show a central figure with several direct reports, while the 'Shadow Health Team' pages show a similar structure with different personnel.

The Dods Monitoring team has produced a detailed insight into Government and Shadow Health teams.

Find inside an organogram and contact details of both teams.
